

BIDDING INFORMATION

2007 WATER SUPPLY ENHANCEMENT STUDY (WSES)

	2004	2005	2006
Dryland Operation			
Bids	\$58 - \$702/ac	\$50 - \$690/ac	\$50 - \$350/ac
Accepted	\$64 - \$200/ac \$146/ac average	\$65 - \$250/ac \$169/ac average	\$50 - \$187.50/ac \$174/ac average
Quantity Purchased	9,500 af	27,471 af	11,026 af
Groundwater Substitution			
Bids	\$30 - \$300/ac	\$74 - \$195/ac	\$75 - \$250/ac
Accepted	\$30 - \$210/ac \$143/ac average	\$74 - \$195/ac \$167/ac avg	\$90 - \$235/ac \$165/ac average
Quantity Purchased	16,148 af	13,875 af	7,481 af

Reclamation may acquire up to 100,000 acre-feet of water in 2007 above Keno Dam, including non-Project users, EXCEPT lands above Harpold Dam on the Lost River, Federal lease lands, and lands under temporary surplus water contracts ("C lands"). Reclamation will accept approximately 20,000 acre-feet of water through Dryland Operations and Groundwater Substitution Options.
